The Sunday Akinsola Foundation for widows & orphans in Nigeria is ministering to 150 widows & orphans & their leaders at two locations. They plan to study the importance of fasting and prayer for the March meeting followed by special prayer. Also, to bless each widow with rice & cooking oil. With cash & gas shortages in Nigeria they are only planning one meeting this month in Kajola and Ogbomoso. They were so hindered by the economy that they could not meet in February. The government had recently redesigned their currency which led to cash shortages & hardship for the people.

Prayer points Abiodun wanted to share:

- * For the country of Nigeria as life is tough, especially for the widows & orphans.
- * For the Kajola ministry, need a bus that would hold about 20 people to transport widows to different bus stations close to their homes. A lot of them live in Lagos & it is a distance to new location in Kajola.
- * Need 2 canopies to have a crusade at each location (4 total).
- * Want to start construction in Kajola for a 2-story building next to the smaller one completed earlier last year. There would be a sanctuary, kitchen, & restrooms on first floor & classrooms on second one. The current building only holds about half the ministry participants at a time in the meeting room. It would take approximately \$7,000 for bricks & labor to construct the first floor.
