

FROM THE PRAYER CLOSET...

April showers bring May flowers. If you prayed in April, watch for answers in May. Prayers are necessary to plant seeds that bring forth answers (flowers).

Thank you to everyone who prayed for me and sent kind cards and notes after my mother's death.

Spring Inductive Bible Study – **Mark - The Gospel of Jesus Christ, Son of God and Son of Man** - The most important question you will ever answer is this: Who do you believe Jesus Christ is? With all the opinions floating around – He's a good man, a teacher, a prophet, the Son of God – how can you know who is right? Mark's account of Jesus' life gives you the answer, and it is more action-packed and fast-paced than the other three Gospel records. Rather than rehearsing what people said about Jesus, Mark shows you what Jesus actually did. As you learn to carefully observe Mark's report, you'll discover that Jesus left no doubt about who He claimed to be. His miracles demonstrated His authority over sickness and infirmity, spiritual darkness, dead religion, threats from nature, and even death itself.

Who: Anyone who has a desire to experience the Bible's life-changing power and to personally engage with the Word through the inductive study method. (Coed)
