FROM THE PRAYER CLOSET

NEVER THE LESS

Not His will, but mine be done! Remember how we have talked about the bottom line always being **His** will and not ours?

Like everything we seem to be experiencing in this world today, we tend to get this backward when we pray. We may not realize it but if we are not really careful, we will pray *our* will, and ask Him to make it happen the way we want it done. Lots more to be said about this later.

God help us all.

Ladies - Mark Your Calendars

"Peace for Troubled Hearts" October 20th – 22nd, 2017 – Fall Women's Conference at Precept Ministries in Chattanooga, TN – ***Help Lord, my heart is troubled!*** (*Psalm 25:16-17*) As women, we bear the weight of the world on our shoulders. God designed us to live abundant lives, and yet, we often find ourselves bogged down with worry, fear and dread. From the real hardships of life, to the problems we invent in our minds, it seems so many of us women walk around with constantly troubled hearts. But it doesn't have to be that way. God promises us a way out of our distress and into the joyful, abundant lives he called us to live. Join Kay, Precept's teaching staff and other women as we look at His truth and learn how we, as women of the Word, can learn to live at peace with our Lord. For more information and to register
