***The Sunday Akinsola Foundation for Widows & Orphans ministry in Nigeria –**

The teaching at both monthly Kajola & Ogbomosho meetings was from Psalm 46:11 *“The Lord of hosts is with us; the God of Jacob is our refuge.”* The emphasis was that the Lord is our refuge & strength, and present help in trouble. When we have the God of Jacob as our provider, our strength, our counselor, we can rest assured. Both locations had celebrations & testimonies shared about God’s faithfulness in their lives.

The Ogbomosho meeting was very special because the adult children of one of the widows wanted to have a memorial for their father who had passed away years earlier. They blessed the widows with groceries, cash gifts, & material for all the ladies including those at Kajola.

At Kajola meeting a man (deacon/ advisor to the ministry) cooked food for the widows to take home along with sodas. He had already gifted them with fabric for a dress. Instead of a large party for his 70th birthday he chose to bless the widows. They had birthday cake & celebration. He gave three of the women \$10 each for empowerment to use to invest in making more money.

A widow who turned 76 that had been very instrumental in the ministry was also honored. Close to a dozen people from the community showed up to eat. They expressed how pleased the neighbors were to see the widows’ two -story chapel being constructed.

The next phase of the construction is purchasing doors & additional plastering when funds are received. It has been miraculous to see how God has provided & a testimony to His faithfulness. Please continue to pray for this ministry.
