The Sunday Akinsola Foundation for widows & orphans in Nigeria is making an impact in ministering to 150 widows & orphans in Nigeria and their leaders. They're teaching the Word of God, helping with food items, & material for each a new dress for Christmas. Both locations had prayer meetings to welcome the New Year. In Kajola the ladies were given rice, cooking oil, & spices to take home.

In Ogbomoshu they received rice & spices. They also prepared a big dinner for a celebration of life service for one of the pastors who had died. The ladies have developed a close bond which helps in a country filled with uncertainty & struggles.

Prayer points Abiodun wanted to share:

** For the Kajola ministry, need a bus that would hold about 20 people to transport widows to different bus stations close to their homes. A lot of them live in Lagos & it's a distance to new location in Kajola.*

** Need 2 canopies to have a crusade at each location (4 total).*

** Want to start construction in Kajola for a 2-story building next to the smaller one completed earlier last year. There would be a sanctuary, kitchen, & restrooms on first floor & classrooms on second one. The current building only holds about half the ministry participants at a time in the meeting room. It would take approximately \$7,000 for bricks & labor to construct the first floor.*
