The Sunday Akinsola Foundation for widows & orphans in Nigeria is making a difference in difficult circumstances by teaching the Word of God & giving staple food items & sometimes sodas & spices for holidays. For a widow to receive material to make a new dress at Christmas is a big encouragement. The leadership makes them feel special with the presentation.

This past year in the new location of Kajola there's 120 widows in the ministry & a waiting list to join. They met 19 times (9 special occasions).

In smaller location of Ogbomoso there are 30 widows & who met 21 times (10 special occasions).

There are Bible studies at both locations where words of wisdom shared from mature women Bible teachers along with special prayer points for each month.

Prayer points Abiodun wanted to share:

** For the Kajola ministry, need a bus to transport widows to different bus stations close to their homes. A lot of them live in Lagos & it's a distance to new location in Kajola. Each meeting the widows are asked to contribute \$3 for ministry bus rental (plus they must pay \$2 for city bus to get to & from home). Some don't have the money.*

** Need 2 canopies to have a crusade at each location (4 total).*

** Want to start construction in Kajola for a larger building with classrooms next to the smaller one completed earlier this year. That one only holds about half the ministry participants at a time in the meeting room. It also has a kitchen & restroom.*
